Dedicated and results-driven Frontend Developer with a passion for crafting exceptional user experiences. Seeking opportunities to leverage expertise in React, Next JS, and various frameworks to contribute to innovative web development projects.

## WORK EXPERIENCE

---

### Front End Engineering Intern

August 2023 - Present

New Vision Institute of Technology, Benue, Nigeria

- Integrated RESTful and GraphQL APIs to fetch and display data, enhancing the functionality and content of web applications
- Utilised Agile project management tools such as Jira for task tracking and issue management, ensuring a streamlined collaborative workflow.
- Ensured web applications comply with accessibility standards (WCAG) to provide a seamless experience for users with disabilities.
- Worked in an Agile/Scrum environment, collaborating with cross-functional teams, including designers and backend engineers, to deliver features and enhancements.

### Front End Engineering Intern

August 2022 - March 2023

Tech1m, London

- Actively pursued learning and stayed updated with emerging frontend technologies and best practices to drive innovation and improve project outcomes.
- Collaborated on hackathon teams, tackling challenging problems with creativity and innovation, resulting in the successful development of web applications.
- Presented collaborative projects during demo days, highlighting the combined efforts of the team and celebrating shared achievements.

## RELEVANT PROJECTS

---

### Paymoor

August 2023 - Present

New Vision Institute of Technology, Benue, Nigeria

- Collaborated with a team of experienced developers and designers to develop the user interface and user experience of a customer-facing finance web application.
- Worked closely with senior developers to integrate external APIs, enhancing the application's functionality and performance.

## EDUCATION

---

### Alex Ekwueme Federal University

Sept 2019 - Sept 2024

Nigeria

- BEng Mechatronics Engineering

## CERTIFICATIONS

---

- Tech1m Front End Engineering Bootcamp, 2023
